OSA-1867-64

14 APR 1964

MEMORANDUM FOR: Chief, Air Force Branch, NMPP

SUBJECT : Pre-Employment Processing of Officers

1. On approximately 26 March 1964, Mr. [REDACTED] Chief Material Branch, discussed with [REDACTED] the advisability of processing a [REDACTED] presently assigned 4080th Maint Group, Davis-Monthan Air Force Base, as a replacement for Lt Col [REDACTED]. Also discussed was the processing of a [REDACTED] presently assigned in USAFE as a replacement for [REDACTED]. Further identification of the nominated officers is not known as formal correspondence has not been exchanged. Mr. [REDACTED] at the time, was in possession of the nominated officers' Air Force Selection Folders. These folders have since been returned to AFIGO-S.

2. Mr. [REDACTED] verbally communicated with AFIGO-S that [REDACTED] and [REDACTED] were acceptable for pre-employment processing. To date, this office is not aware of the official processing status of the two replacement officers.

3. [REDACTED] departs his office PCS during July 1964. [REDACTED] is anticipating an October 1964 or November 1964 PCS departure. To meet overlapping input dates it is requested NMPP pursue the recruitment of the above mentioned replacement officers.

4. On 18 February 1964 a memorandum was submitted to your office requesting expeditious processing action for [REDACTED] replacement.
